Idea Film around the World

We created Idea Film, 8 years ago, during a cup of coffee. So yes, it didn't take long till we figured out that this is what we wanted to do, together. And then, we drank some more coffee with clients that became our friends. This didn't take long either. We continue to do so with old friends and new clients and collaborators. Some things don't need to change. This friendly approach and our background in film and commercial production for over 16 years was appealing to more than 80 clients from all over the world. Today there are more than 400 projects we took part in.

Our passion and our never resting curiosity urge us to to discover visual and storytelling concepts that can improve or refresh the perception of your company within your target audience. We can offer everything you need from concept development to the final product. And, of course, a cup of coffee. Let's not forget that we have the coolest jobs in the world.

With a cup of Joe

Saroa Lux

Established in 2019, Saroa Film swiftly made a name for itself with an impressive debut on the film festival scene in 2021. Their first offering, the short film "On Hold," garnered a plethora of global awards and recognition, spanning countries like the USA, Russia, Greece, France, and Italy. Notably, it found acclaim in prestigious cities including Cannes, Paris, St. Petersburg, Milan, San Francisco, Bucharest, and Dallas, highlighting Saroa Film's worldwide appeal and ability to connect with diverse audiences.

But "On Hold" is just the beginning of Saroa Film's journey. Currently, the company is working on its latest project, "Kingdom of Judas," a feature film shot between 2021 and 2023. This significant undertaking, three years in the making, is generating considerable excitement within the industry as it nears its release.

Saroa Film's success is rooted in their steadfast dedication to delivering top-notch content and their innate talent for weaving compelling stories. They prioritize imaginative storytelling and understand the critical role that every aspect of production plays, from casting to cinematography, ensuring excellence in every project they undertake.

Viva La Vidra Productions

Vidra Productions is a Romania-based film production powerhouse renowned for delivering captivating, box-office-shattering films and groundbreaking storytelling. Since February 2020, Vidra has produced and co-produced 12 remarkable films, dominating the Romanian film landscape with an unparalleled creative vision and strategic market insight.

Cinematic Blockbusters

Over the past five years, Vidra Productions has solidified its reputation by producing eight of the top ten highest-grossing Romanian films. A key example of this phenomenal success is the 2022 blockbuster Teambuilding, a cultural phenomenon that not only topped the domestic box office but also outperformed international giants, including Top Gun: Maverick, Doctor Strange in the Multiverse of Madness, and Black Panther: Wakanda Forever. Teambuilding secured the number one spot at the box office, attracting over a million spectators and generating five million dollars in revenue.

Other standout hits from

Vidra's impressive portfolio include:

Miami Bici (Parts 1 & 2) – A beloved comedy-adventure series that captivated Romanian audiences with its sharp humor and dynamic storytelling.

Tati Part-Time – A heartwarming and hilarious exploration of fatherhood that struck a chord with families nationwide, surpassing 400,000 cinema admissions.

Buzzhouse – A film that brought a fresh, innovative twist to modern comedy, with over 500,000 cinema entries.

These productions reflect Vidra's mastery in blending universal themes with local charm, creating films that are both commercially successful and culturally impactful. Additionally, all Vidra films have consistently ranked number one on Netflix Romania for weeks and have later been acquired by leading national broadcasters such as PRO TV and Antena 1.

A Talent-Driven Approach

Vidra's unparalleled success stems from its commitment to fostering talent and innovation. The company works closely with the most creative and skilled professionals in the film industry, assembling dynamic teams for each project. When it comes to casting, Vidra excels in selecting renowned professional actors, beloved Romanian artists, viral Internet personalities, and rising stars. By consistently scouting fresh talent, Vidra injects new energy into the Romanian film scene.

In less than five years, Vidra Productions has collaborated with over 200 renowned professional actors, talented content creators, with impressive social media followings, as well as established musical artists (such as Antonia and The Motans). Our tailored marketing machine propelled creativity and successfully convinced audiences to flock to cinemas. It wasn't easy—we even went head-to-head with Avatar. And yet, we were right there, with over a million people watching us in cinemas, meaning almost the same as the James Cameron's piece of art!

International Vision & Strategic Growth

This is what now made us setting our sights on the global stage. With a commitment to bold storytelling, visionary filmmaking, and a deep understanding of audience engagement, Vidra aims to expand its influence beyond Romania, sharing its unique voice with worldwide audiences.

Vidra Productions invites partners, distributors, and collaborators to join its journey of redefining entertainment. From box-office triumphs to game-changing marketing strategies, Vidra is more than a film production company—it is the heart of Romania's cinematic future, ready to connect with audiences across borders and bring captivating stories to life.
