# 23Film/AH Media Pro

23 Film is a dynamic boutique production company that specialises in creating an array of captivating visual content, spanning from thought-provoking documentaries to high-impact feature films. With a dedicated team and a network of creative collaborators, we pride ourselves on our ability to craft engaging movies, fashion films, documentaries and cutting-edge new media content.

Our mission is clear: to produce powerful, interactive, and socially relevant content that resonates with audiences across the globe. Our commitment to making an impact is unwavering, and we work tirelessly to ensure our creations reach as wide an audience as possible.

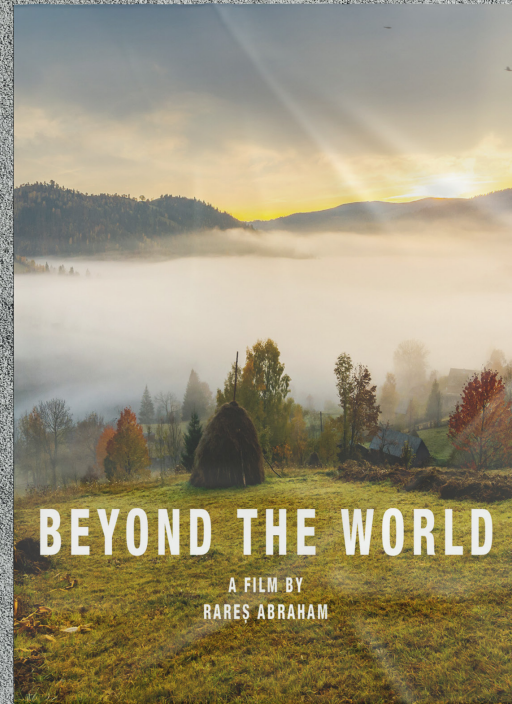

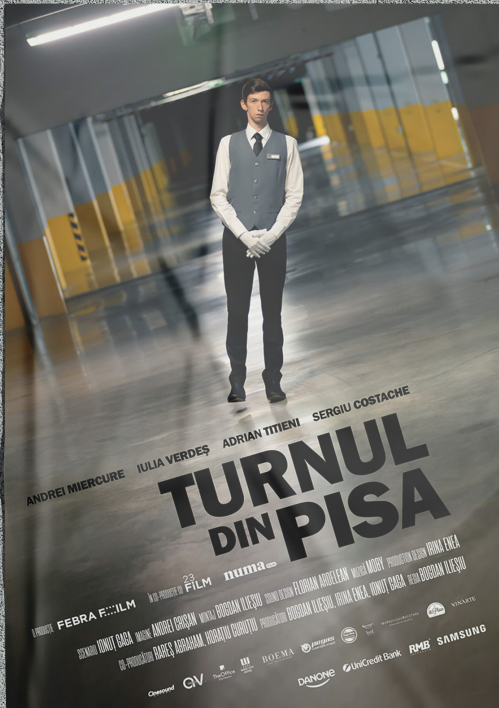

Currently, we've successfully completed post-production for our latest feature film, "Friday the 3rd," a challenging project that was shot during the pandemic. Simultaneously, we're in the final stages of post-production for an online documentary-series focusing on the Roma people, a project that embodies our commitment to exploring diverse narratives.

As we continue to expand our horizons, we're eager to offer our production services to potential partners, ensuring that their creative visions come to life. Additionally, we're actively engaged in developing IP pitches to attract potential investors, fuelling our passion for innovative storytelling in the digital age.

## Headline Management Agency (HLM)

Headline Management Agency (HLM) is the largest stand-up comedy agency in Romania, representing over 30 of the country's top comedians. Our mission is to elevate the Romanian humor scene, discovering, developing, and empowering fresh talent while supporting established names. We specialize in communication, marketing, and management strategies tailored to help comedians express their humor in all its forms.

Founded by Călin Crețu in 2011, the agency has evolved into one of Romania's leading comedy promoters. With over 12 years of experience in talent management and events production, Călin has worked with more than 100 Romanian and international artists. His team of professionals has successfully managed hundreds of projects both locally and abroad.

HLM offer guidance and platforms for content creation, including producing and developing YouTube shows (Roast Battle, The Mic, McN Podcast, Colegi de cameră) and providing social contexts for creative expression.

Since 2020, HLM has expanded not only into online but also in cinema projects ( Teoria Conspirației, the first Romanian stand-up special released in cinemas, Hai, România – the first documentary about Romanian Golden Age football generation released in cinemas and the upcoming 2025 film Mentorii in co-production with Untold Universe), positioning itself as a leader in the entertainment industry.

In the digital age, social media influencers have become the voice of authenticity, transcending borders and cultures. Mandarin Studio's influencer marketing services offer a bridge to international audiences, ensuring that your brand resonates with consumers worldwide.
